

**M O S A I C S**  
O F M E R C Y

A non-profit ministry that serves as a hub of hope, resources, and education empowering the journey toward mental well-being.

### **OUR HUB INCLUDES:**

#### **EDUCATION**

Creating connections to knowledge about mental health through speaking events, podcasts, social media, and conversation

#### **RESOURCES**

Helping clients and professionals navigate and connect to vetted mental health resources

#### **HOPE**

Offering experiential mosaic heart making sessions, stories of hope, prayer, and personal connection

Internally and externally, we all experience things that impact our mental well-being. Physical illness, loss, traumatic events, mental health struggles, and addictions are a few examples. Feelings of being alone, uncertain, and confused are common. We can help. Mosaics of Mercy provides a central point for our community to connect to hope, resources, and education.
